

Frankenmuth Farmers Market

Annual Market Sponsorship Campaign

Your farmers market supports business startups, education, and community health with a focus on local food and agriculture. Your pledge enables our programs and makes your Frankenmuth community stronger and healthier!

- Annually, your farmers market creates an exchange of nearly \$1M in local dollars in goods and services - quite an impact!
- The Frankenmuth Farmers Market itself is a non-profit entity, through our facility space we support a greater number of local nonprofits in their community efforts as well - Frankenmuth Rotaries, Jaycees, Women's Club, 4-H Patriots and Pacesetters, ACF, Arts Council, Frankenmuth Athletics, Conservation Club, Pheasants Forever, Sister City, City Beautification, Saginaw and Bay Health Departments, and numerous church and school groups.
- We hosted over 160 different small businesses, farms, and artisans as vendors over our four market platforms.
- We held two free community health programs F.R.E.S.H. (Foods and Recipes for Senior Health) and P.O.P (Power of Produce for Children) and led over 20 educational experiences.
- We were the site of the area's most successful fire art festival and hosted the area's largest Christmastime Market, growing it by 40 vendors this past year and hosting a third weekend.

\$100

Thank you!
Your sponsorship at this level earns your business's logo being featured on all bulk sponsor mentions.

\$250

We appreciate you!
This level includes a market day sponsor sign displayed at all markets. We will also follow your businesses social media and promote your events and offerings through resharing from time to time!

\$500

Your support means so much! This level includes all the benefits of previous levels, a dedicated social media thank you, and one complimentary Gathering Barn rental - Monday through Friday.
